This will constitute my Spring, 1955 list. I am only able to list three new varieties for you due to the fact that the freezing weather set in early this year before I could get all of my stock here from the East. I have the promise of a good stock of some of the new pink doubles as well as the new Pink Fringette. These are varieties that we all have been wishing for a long time.

My next price list will be issued in early Fall.

Any of you are most welcome to stop by my Shop and see the violets and I will have some stock of newer ones not listed here because of lack of quantity. However, I am unable to open the Shop before 3:00 P. M. week days as I work in an office. You may find me after this time and evenings as well as all day Saturdays.
